EDUCATION

Bachelor of Social Science
China Studies in History

Hong Kong Baptist University
📅 2019-2021

Associate Degree of Art
Hong Kong Community College
📅 2017-2019

Career Objective

A 2021 graduate with a history degree in Hong Kong. After graduation, I find my real passion for frontend development and throw all my energies into pursuing related knowledge. Proficient in using popular frontend tech stacks. Hoping to join a tech company where I can put my skills to good use.

Core Skill

- HTML, CSS, JavaScript
- React
- Redux
- TypeScript
- SASS
- REST APIs
- GraphQL
- Node.js
- Express.js
- MongoDB/Mongoose
- Next.js

Portfolio

- A Responsive Bookstore Website DEMO made with React and Firebase Realtime Database
- A Full Stack E-Commerce Website made with MERN (MongoDB, Express.js, React, Node.js) stack
- A Personal Portfolio Website made with Next.js and Strapi
